

CONVENIENT • EFFICIENT • ECO-FRIENDLY

PureFlo® Bright

Reverse-Osmosis Filtration Solution

PureFlo® Bright is an advanced reverse-osmosis (RO) filtration solution designed for convenience, quality and peace of mind in the water you drink. Incorporating proven RO filters, built-in IoT (Internet of Things) enabled smart monitoring technology, professional installation and convenient features, PureFlo Bright provides consistently pure, high-quality, great-tasting water in your home or business.

Reverse-osmosis benefits

- Removes chlorine, chemicals, lead, heavy metals, viruses, pharmaceuticals and emerging contaminants
- Removes 95% of total dissolved solids (TDS)
- Leaves minerals in the water

Carbon Shaker™ filtration technology

- High-quality filter media attached to the cooler compressor
- Compressor vibrates the filter and media multiple times per hour, creating new pathways for water
- Extends filter quality, longevity and effectiveness over traditional carbon filters
- Longer filter life helps lessen environmental impact

Built-in smart technology

- IoT monitoring detects leaks and measures water throughput
- Water leaks trigger automatic shutoff and an automated service call
- QR code links to dashboard for system performance visibility and validation

Convenient professional installation

- Hard-plumbed

Certification and testing

- Meets [NSF/ANSI 42, 53, 58, 401 A/B/C](#) filtration system standards for drinking water
- Accredited, third-party certification by the Water Quality Association (WQA) Gold Seal certification program
- Extensive testing to evaluate product structural integrity, ability to reduce contaminants and safety of materials that contact water

PureFlo® Bright

Reverse-Osmosis Filtration Solution

Technical Specifications

Product Height: 44.4"

Product Width: 12.6"

Product Depth: 13.4"

Product Weight: 43 lbs.

Power Rating: 110 – 115V; 60Hz

Consumption Power: 500W heating; 70W cooling

Cold Water Temperature Range: 39.2°F – 50°F

Hot Water Temperature Range: 168.8°F – 197.6°F

Child Safety

Child safety lock on the hot water spout to help prevent accidents
